GENERAL INFORMATION

PHILOSOPHY

ONE BODY:

The **class sizes are small** and are multi-grade, which recent studies have shown are **extremely beneficial to the student**. The older students in the classroom learn to help and nurture the younger students. In turn, the younger students are given extra care and attention not only from their teacher, but from their peers. Our school's small size also creates a **wonderful community** of students at all grade levels. The youngest students play with the oldest! Students become a family, and learn to rely on friends of all age groups. Older students learn important **leadership and mentoring** skills. The school operates, at every level, with all students in mind.

ENRICH THE MIND:

Our school is passionately committed to our students' academic excellence. With the low student-teacher ratio, our students have consistently performed well on standardized tests. Student leaves our school well prepared for high school. Through peer-mentoring, students have an opportunity to learn by teaching other students.

SERVE THE COMMUNITY:

We believe that we are working for a higher purpose. Our purpose is to serve God and each other. We strive to instill the principle of service into each of our students. We serve our school, local, and global communities through various projects throughout each year.

WORSHIP ONE LORD:

We believe that there is one God in three persons, the Father, the Son, Jesus, and the Holy Spirit (Ephesians 4:4-6). We worship and spend time with Him every day. We believe that there is not greater authority on this earth than the Holy Scriptures. We believe that our students grow in Christ, they will not only be academically well grounded for high school, but spiritually well-grounded for eternity. This is our highest purpose, goal, and privilege.

SERVANT LEADER:

"And whoever desires to be first among you, let him be your servant-just as the Son of Man did not come to be served, but serve, and to give His life a ransom for many." Matthew 20:27-28

MISSION STATEMENT

Simi Valley Adventist School operates as one body that equips students to:
*Enrich their minds,
Serve their community
Worship one Lord*

We are Educating Tomorrow's Servant Leaders Today

GOALS AND OBJECTIVES

SPIRITUAL GOALS

To impart a thorough knowledge of the Bible as the Word of God.
To guide students toward obedience to the Word of God and its principles.
To promote reverence for God and thoughtful kindness to man.
To provide an atmosphere in which the students may become personally acquainted with Jesus as the Christ and their Savior.
To encourage students to develop talents, to be practicing Christians, loyal, patriotic citizens knowingly aware of the needs of their neighbors and willing to serve.

ACADEMIC GOALS

To provide an atmosphere in which students will be inspired toward academic excellence.
To encourage students to think critically, independently, and creatively.
To provide course selections that will allow students to obtain the building blocks necessary to attain spiritual, professional and vocational goals.

SOCIAL GOALS

To provide opportunities for students to demonstrate acceptance of and respect for the rights of others.
To provide opportunities for students to understand and without prejudice demonstrate an appreciation for all people and cultures.
To provide opportunities for students to accept his or her civic responsibility for the environment and maintenance of peace.
To provide an environment in which individuals receive respect and fair treatment by others.

PHYSICAL GOALS

To provide an environment in which the student will learn the value of a temperate life.
To teach the value of lifetime Christian recreation.
To provide avenues for development of physical fitness.
To provide opportunities for students to develop a practical skill.

SVAS CODE OF ETHICS

Those who are followers of the Lord Jesus Christ should respect, honor, and uplift one another. Thus, a colleague, employee, volunteer, or student should never be placed in a position of embarrassment or disrespect due to any action or statement that has any explicit or implied sexual, racial, age or ethnic overtones. To do so is a violation of God's law and the civil laws governing our school.

School staff and students are prohibited from engaging in unwelcome sexual advances, requests for sexual favors, or other verbal, visual or physical conduct of sexual, racial, ethnic or age-related nature that could create a hostile, intimidating or offensive school environment. Such harassment is intolerable, against the law and will result in appropriate discipline up to and including dismissal.

Examples of conduct that may constitute harassment include, but are not limited to:

Verbal or visual harassment or abuse (e.g. degrading sexual comments, unwelcome propositions, sexually offensive jokes and materials).

Requests for sexual favors or activity.

Inappropriate touching of a sexual or abusive nature (e.g. pinching, patting or repeated brushing against another individual's body).

A suggestion, threat or action that makes the affected individual uncomfortable.

An individual who experiences harassment should take one of the following steps:

Talk to the individual who is harassing you. Explain that you feel uncomfortable and why.

Speak to your teacher or your principal.

The initial complaint should be followed by a written statement prepared by the person being harassed and directed to the person to whom the incident was reported. The written report should be objective and include factual details to support the alleged incident(s).

The matter will be referred to the Code of Ethics Committee, and all situations will be thoroughly investigated in a confidential and objective manner. The investigation will be a genuine attempt to identify and remedy the problem. If, upon completion of the investigation, it is determined that harassment related to sex, race, age or ethnicity has occurred, immediate and appropriate action will be taken against the person doing the harassing. The corrective action will depend upon the severity of the act and may range from a written warning to dismissal.

CURRICULUM HIGHLIGHTS

A publication describing a typical curriculum for Seventh-day Adventist schools is available on request from the school office. The school rotates through a three-year curriculum in Bible, Science and Social Studies.

PARENT AND TEACHER COMMUNICATIONS REGARDING ACADEMICS

Mid-Term Grades - At the midpoint of each nine-week grading period, a progress report will be issued to parents.

Quarter Grades - Every nine weeks a report card will be issued to the parents/guardians of each student. Parents/guardians are encouraged to discuss their concerns with their child's teacher.

Parent/Teacher Conferences - Following the first quarter grading periods, Parent/Teacher Conferences are scheduled. All parents are encouraged to take advantage of this opportunity to discuss their child's progress with the teacher. At any point in the school calendar, the teacher or parent may request a parent/ teacher conference.

TESTING

A regular program of standardized testing is administered each year for all students in grades 3-8. These tests are used to evaluate a student's academic needs. The Iowa Test of Basic Skills (ITBS) is used to gauge the progress of individual students as well as the progress of the school. The test results will be presented at the first Parent/Teacher conferences.

REPORT CARDS

Report cards for students in all grades will be issued after each nine-week period. The following grading system is used at Simi Valley Adventist School:

Grade	GPA
A	4.0
A-	3.7
B+	3.3
B	3.0
B-	2.7
C+	2.3
C	2.0
C-	1.7
D+	1.3
D	1.0
D-	0.7
F	0.0
E	Excellent
S	Satisfactory
N	Needs Improvement

GPA's are designed for purpose of comparison. During the high school years there is a purpose as college admissions, scholarship awards, honors program eligibility, the possibility of being recognized as belonging on the Honor Roll, etc. can open opportunities for the high school entering a university or college.

During middle school GPA can serve as a bridge from elementary to high school to get kids accustomed to leaving the personal growth mindset of elementary school and adjust to the often-cutthroat competition of high school.

SVAS believes that establishing a love of learning is the goal and building on a few key skills they'll need for high school. The balance that we've found – to measure achievement in young children without creating an unfriendly learning atmosphere that damages their self-esteem and forces them to see school as a race to the top – is to assign grades or symbols to many different skills.

Students should not be afraid to discuss growth with their parents or teachers. There is no need at SVAS to turn school into a nine-month competition.

This chart is given so that parents may convert letter grades into a GPA if they so choose.

STUDENT CITIZENSHIP

ATTENDANCE POLICY

Promptness and regularity are as important to the school program as organization and good study habits and skills. Regular attendance, dependability, and promptness are characteristics of successful students. Irregular attendance affects students' standing with the school, and the opportunity to hold and maintain class offices. In addition, attendance records are part of a student's permanent file, which may ultimately affect other educational and job opportunities.

Attendance is a legal record and all absences and tardiness must be recorded, even if they are legally excusable. In compliance with the state law, absences for any reason including prearranged absences and illness that exceed 15% of a class during a nine-week period may result in a lower grade or need for a petition to get a grade. According to California state law, absences are excusable only under the following conditions and when written verification is provided from the parent:

Illness of the student.

Death in the immediate family.

Mandatory court appearance.

Unavoidable medical or dental appointments.

If a student needs to miss a class or part of a class for any reason, arrangements should be made and recorded in writing with the teacher prior to missing the class. If an unexpected absence/tardy should occur, please notify the school by phone ASAP.

ATTENDANCE RECORDS

Attendance will be taken and reported to the front office within the first fifteen minutes of the day. The office staff will make an attempt to contact parents of absent students, if no notice has been given of the absence.

TRUANCY

California's compulsory education laws require children between six and eighteen years of age to attend school, with a limited number of specified exceptions. A student who leaves the school campus during school hours without permission from parents and the school office is considered truant. It is the student's responsibility to sign out at the office before leaving the school for any reason, including pre-arranged partial day absences

WRITTEN EXCUSES

To avoid being truant, all student absences and tardiness must be verified by the parent or guardian. All written, oral, or emailed excuses must include the following:

Name of student being excused
Date(s) absent or tardy
Reason for absence or tardiness
Signature of parent or guardian

LEAVING CAMPUS EARLY

Students with permission to leave school early should stay in their regular class until the driver comes to the office to sign them out.

WITHDRAWAL

When a student withdraws from Simi Valley Adventist School, the following is needed:

Written notification (dated and signed)
All textbooks returned
All current statement charges paid

Please note: Charges continue until the school office receives written notification of withdrawal.

Chapel

Students are expected to attend all chapels with an attitude of reverence and respect. Chapel starts each Friday morning at 10:30 AM.

Closed Campus

Simi Valley Adventist School is a closed campus. **Once students arrive at school they are to remain on campus until dismissed.** Permission from the teacher/principal must be obtained before a student may be released from campus. If in Extended Care, students must be signed out by an authorized adult. This is for the safety of your child.

Parents and school board members are welcome to visit the school at any time. All visitors should call the school before arrival.

Students may walk or ride their bikes to and from school before and after school. Parents need to mark the appropriate box on the Student Release Form for this to happen.

CLOTHING AND APPEARANCE

All students must adhere to the school's prescribed dress code Monday-Friday. All personal dress and appearance of boys and girls should reveal character in the individual. **Careful consideration to simplicity, neatness, appropriateness, modesty, and health are essential to student appearances.** The school administration and staff strive to be fair and understanding as they deal with students in matter of dress.

Students attending Simi Valley Adventist School are expected to adhere to standards of appearance as outlined below.

GROOMING

Hair should be kept neat, clean, and well-groomed. Extreme hairstyles such as shaved heads and unnatural colors are not in harmony with school standards. All students should keep their hair out of their eyes.

HATS

Hats are not considered proper indoor attire. Appropriate hats may be worn outside.

JEWELRY

Rings, bracelets, necklaces, earrings, pins, etc., are not to be worn. Medical alert insignias or ID information will be allowed

MAKEUP

Noticeably irregular cosmetics or tattoos are not permitted.

RATIONALE

These standards have been established to assist the school, parents, and students in establishing an academic and safe learning environment that is free from distractions, that provides for a business-like setting, and that will promote a personal commitment to excellence at SVAS.

SCHOOL UNIFORM POLICY

Uniform shirts are purchased by making arrangement orders with Home and School Leader.

Color choices for all daily school attire are white, black, royal blue, gray, purple, or khaki.

Leggings / Tights – Solid color listed above. Leggings, tights, etc. must be worn beneath a girl's skirt, jumper, or shorts. They do not constitute uniform policy by themselves on any day of the week, Fridays included.

Shoes – Closed-toe shoes are to be worn at all times. Athletic style shoes are preferred and required for athletic classes. Shoes are to be worn at all times. Beach footwear, flip-flops, Crocs®, or sandals are not academic attire and may not be worn.

Hats- Hats, hoods, bandanas, or other head coverings may not be worn with the exception of school sponsored events.

OTHER GARMENTS

Plain Jackets, outer sweaters, sweatshirts/jackets, vests, parkas, etc. may be worn without a school-related/approved logo they must be within the school approved colors. If you would like an official school crest to put on the outerwear we can provide you with one that can be sewn on. While sweatshirts/ jackets and all outer garments must be in the color choices listed above, a school approved shirt/blouse must be worn beneath all outer garments.

FREE DRESS FRIDAYS

Each Friday students may wear clothing that does not include the official school polo shirt. Clothing should be neat, clean, fit appropriately and be in good repair. Jeans are appropriate, but nothing outside the appropriate school attire is ever acceptable. Examples of attire that is never acceptable: tank tops, low riding pants, or clothes that show the stomach.

GENERAL GUIDELINES

Families who do not comply with the school uniform policy will be given time to make the necessary changes. If the changes are not made in the agreed timeframe, a meeting will be arranged with the administration about school philosophy commitment and continued enrollment.

DISCIPLINE POLICY

*“ He has showed you, O man, what is good...
And what does the Lord require of you?
To act justly and to love mercy and to walk humbly with your God.”
Micah 6:8*

At Simi Valley Adventist School, we ask that all students

RESPECT:

God
All Teachers and Staff Members
All Parents
Other Students
School Property
Themselves

The Principal, in cooperation with the faculty, is responsible for establishing disciplinary procedures. All members of the school staff share in the responsibility for supervision of student conduct. Minor irregularities are handled by individual staff members. Repeated offenses or major infractions of school rules are to be cared for by the administration, the administrative committee, or the school board.

We believe that all students are capable of appropriate behavior. The staff at SVAS would like all students to strive to be their best. We will work toward a safe physical and emotional environment by focusing on encouraging the following behaviors:

Appropriate language and behavior.
Respect for the rights of others.
Obedience to and respect for persons in authority.

CLASSROOM RESPONSIBILITIES

Teachers will develop their own classroom behavior guidelines. Because parents want a secure environment for their child, cooperation between home and school is both needed and expected.

CONSEQUENCES

The Discipline Policy that follows will be used as necessary for failure to follow the classroom or playground behavior guideline.

PARENT NOTIFICATION FORMS

Parent Notification Forms (formerly called Infraction Reports) are used to inform parents and students of significant disciplinary incidents. Any teacher or staff member may issue a Parent Notification. In extreme cases, Students may also be issued referral points for violating school regulations. These points will be issued on a Parent Notification form and sent home to the parents.

The teacher or administrator needs parent support and help. The school expects that parents will take each disciplinary situation seriously and work with the teacher to handle the situation in a timely fashion. The copy of the Parent Notification must be returned to the teacher the next school day with a parent's signature for the student to return to class. Students involved in any of the following practices, on or off campus, may jeopardize their privilege of attending Simi Valley Adventist School:

Undermining the philosophy and objectives of the school.

Showing willful disrespect or disobedience to any member of the faculty or staff, or any parent helping with a school activity.

Using narcotics, tobacco, or alcohol, in any form, or having them in one's possession.
